 SW9 Community Housing

The images used in this calendar were created by local children who attended Saturday art classes funded by SW9 Community Housing. The classes were run by Salome Dutt, a local resident and artist.

The themes of the paintings this year were chosen by the children themselves. Some express their feelings about the COVID-19 pandemic and the colours reflect how the children wish the coming year to be – bright, cheerful and full of happiness.

Due to Coronavirus, the art classes were on hold for the majority of the year, meaning that this year's artwork was created in record time and in line with a number of COVID-safe restrictions. Many thanks to Salome and all the children who put in so much hard work to create such a great calendar for everyone to enjoy throughout 2021.
