RE: ROOFING UPDATE

Dear Residents,

Please be informed that the relevant colleagues from both Network Homes and Wates Construction Ltd will be convening a “follow up” meeting week commencing 26 June 2023.

The purpose of this meeting is to carry out further discussions and investigations and to determine the next course of action to provide a resolution to this longstanding matter.

We understand the frustration caused by the continued closure of the roof terrace, especially considering the improved weather.

We sincerely apologise for the frustration this may have caused. Please be assured that we are actively working towards expediting a solution as quickly as possible.

Thank you for your continued patience and understanding.

Yours faithfully
