Job description

An impressive history of providing facilities maintenance, property repairs, and refurbishment services to a diverse and varied client list has established KNK Building Services as one of the leading companies in its field. KNK is committed to completing all contracts within priority and to a professional standard. We believe we provide a full and comprehensive service that is capable of meeting any reasonable contract requirement demonstrating 'best value'. To achieve this requires a workforce that is both competent and has a real understanding of the Company's absolute commitment to ultimate customer care. KNK provides a high specification service which includes, but is not limited to, responsive repairs, planned maintenance, refurbishment, adaptations, roofing, drainage and 24/7 emergency response.

We are looking for an experienced Multi-Trade Operative with a proven track record. This is a mobile role, travelling to domestic and commercial properties in London and the Southeast.

Responsibilities

- Perform a variety of skilled trades tasks including carpentry, decorating, plumbing and general maintenance.
- Conduct repairs and installations and maintain accurate records of all tasks performed.
- Ensure compliance with safety regulations and company policies.
- Provide excellent customer service.

Requirements

- Strong problem-solving skills to assess issues and determine effective solutions.
- Core trade of either plumbing or carpentry.
- Clean driving licence.
- At least 2 years' experience in multiple trades.
- Knowledge of safety procedures.

Benefits:

- Company van
- Company pension
- Company phone
- Company uniform
