Colours of Nature

by Sianna

See blue skies
Birds and trees
People walking
Plants growing
In red and green
Flowers big and small
Pink, purple, white and yellow
Branches brown
White willow
Trees without leaves
Black spiders, flies flying
In the colours of nature

A Fish

by Nathan

I am a fish
I live in the sea
My friends were hooked to make a dish
This is what life is like for me

I used to roam around
All light and free
Listening to only my sound
I wander the deep blue sea

I am a fish
I live in the sea
My friends were hooked to make a dish
This is what life is like for me

My dog

By Kaiyana

My dog is black and white.
I like when he listens.
He eats a lot.
We take him to the park.
We stroke him.
His name is Billy.
He chases us about.
I watch when he has a bath.
He guards my home.
He meets his friends at the dog park.
They race each other.

My grandpa

By Leonardo

He's nice
He has pride
He has cancer
He's a fan of Black Panther
I've loved him since five
And I hope he likes his life

ELVIN

Next Day

by Elvin

Can you do it tomorrow
Only after each other.
Not skipping one day.
Spoil it if you miss one.
End it if you miss one.
Could you keep the structure.
Using one path.
Ten, Twenty, infinity
I don't miss any!
V-bucks – I don't care.
Everyday same ways.

Heaven or hell

by Jahmel

Heaven or hell,
Dark or light,
Life or death.
Truth or falsity,
All these assumptions and still
can't figure it out,
Laughs, all I hear is laughs,
A faint voice calling my name,
Drip, drip, drip, drip,
I wipe my forehead to see blood
Smeared across my head
It starts pouring blood,
HELLLLLLLLLLPPPP

My School

by Carlava

At my school there are lots of rules
At my school there are basket balls
Luckily the swimming pools
I really like them all
I like to play outside and go on
things I've found
I really like the playing like jumping up
and down

The Trees

by Elizabeth

They have roots
Crooked branches,
Green, red and orange leaves
They need sunshine and water
Willow, oak, palm, ebony, pine
Apples, oranges, coconuts, pears,
plums
Medicinal, barks and seeds
Making paper and sculpture,
They make air,
Trees make nests for birds and bees,
They are used for furniture, pencils
and fruit bowls
Making tree house is lots of fun!

 SW9 Community Housing

The images used in this calendar were created by local children who attended Saturday art classes funded by SW9 Community Housing. The classes were run by Salome Smeaton-Russell, a local resident and artist.

The theme of this year's calendar is poetry.

Many thanks to Salome and all the children who put in so much hard work over 2019 to create such a great calendar for everyone to enjoy in 2020.

If you would like to know more about how to join our free Saturday art classes, email getinvolved@sw9.org.uk or call us on 020 7326 3700.
